

Amazon Product Analysis Report

Keurig K-Supreme Plus Coffee Maker, Single Serve K-Cup Pod Coffee Brewer, With MultiStream Technology, 78 oz Removable Reservoir, and Programmable Set
Price: \$199.00

Key Takeaways

Positive Takeaways:

Small-sized model ideal for minimal counter space
Includes preset 3 brew settings
Descal feature prompts maintenance
1-year warranty
Large and easy-to-handle water tank
Backlit buttons
even in dim areas
Instant on-demand operation

Negative Takeaways:

Needs frequent maintenance (cleaning & descaling)
Missing instructions on water filter
Struggles to fit large mugs on undersized platform
Could potentially only accept Keurig cups
Brewing process could splatter
Poorly fitting reusable K-Cup
May not produce hot enough drinks
